"The God who is in Words" by Todoroki Peco

幼き日に交わした約束。

あなたは覚えてますか……？

Do you still remember
the promise we made when children?

Kamibaran ga Yadoru Kotoba

The Sacred Words

よみきりピュア♡ラブ32p

初登場!

手島ぺこ

aka Peco Tidoru

DOES GOD LIVE
IN MY WORDS,
TOOT?

AKIKI,

MAKOTO-
KUN!

OF
COURSE.

GOD LIVES
WITHIN WORDS,
SO YOU MUST
NEVER LIE.

AND THEN
I WILL MARRY
YOU, AKIKI!

I'LL
DEFINITELY
RETURN!

THEN, EVEN
THOUGH I'LL
BE MOVING
FAR AWAY,

IT'S A
PROMISE!

BECAUSE
I REALLY
LOVE YOU!

I don't think I'll be able to get any free time soon because of my work.

My parents won't be coming home until dinner time, so there won't be any problem.

I'm
here to
return
this.

No, it's
all right.

Sorry for
visiting
this late.

Sometimes,
I wish...

Yeah... but
this is on my
way home...

You could
return it
tomorrow.

Even
just for
a little,

the thought
of him wanting
to visit me...
is nice...

He'd come
over here
at night
with a
bunch of
excuses.

Sol To clear
that gossip off
your shoulder,
let's go on a
group date!

Because you
two are always
together... people
have started
calling you that,
you know?

What's
that?

Hey,
Lovebird!?

Paul!

You not in
love...

Ade...
L

We're going, who
the hell knows if
you know!

You're
wasting
your
college
life...!

What
about
you,
Makoto?!!
You'll go,
right?

Ed!!

I have
something
to do today,
so I'll pass.

Paul...

So you do
remember...

Nakato
is now
with me
everyday.

Compared
to a while
ago, this
should be
more than
enough.

See you
tomorrow!

But because you
remember something
like that, I'm starting
to get my hopes up
again...

That you might
also remember
our promise.

noodle

splash

I WILL
MARRY YOU.

BECAUSE
I REALLY
LOVE YOU.

God lives
within words...
so we must
never lie...?

Weren't we
taught that...

Grandma...

vibrate
vibrate

Mahoto,
you lie...

The
hairs
that
I hold
near
my face

in my
childhood
days...

Rather than
having to feel
like this...

I'd be better off
without that
umbrella and any
memories of you.

yank

No.

shh

Let go...
of my
hand.

Where are you going? What about class...?!

Wait... Makoto?

Makoto!
It hurts!

You too!

God lives within words,
so you must never let

Grandma taught you that, right?

...!!!

Slide

Makoto

I planned to
give this to you
along with the
umbrella yes-
terday.

Actually.

Why'd you
open
grandma's...

Sorry for
taking
so long...

Eh...

Why? Mahoto, aren't you giving it to the wrong person?

Who...?!

Of course I'm not wrong!

But... what about the girl who shared the umbrella with you yesterday?

LET ME SHARE YOUR UMBRELLA TO THE STRAYDOG!

Eh... That was a colleague I ran into when I bought the ring...

Mahoto,

please accept this.

Sorry...
I lied.

Mizuki?

I never
went to the group
date.

Hm? But weren't
you supposed to be
at the group date
at that time...?

sob

Mairoba...
You seemed
like you hate
being with
me...

Then you
shared my
umbrella
with a girl
I didn't
know...

I really
thought
that

You had
completely
forgotten
about our
promise...

reach

I've been waiting for you to fulfil that promise...

because

I love you too, Malboro.

I know,

The
two
of us

I
couldn't
have a
proper
ceremony
in a
pretty
chapel...

Mmm...

Sorry,
does it
hurt?

Uuh...

Nnh...

It would be
a lie if I say it
doesn't hurt.

We also
wouldn't
have any
marriage
registra-
tion.

But
I'm
fine

Say it
again...

Say that
you love
me.

Just as
long as
we have

the god
that lives
within our
words of
promise.

It's a bit loose.
I'm sorry.

The
ring...

Don't
worry.

Damn it.
I really suck.
How could
I mistake
the size...

Once I get
a proper job
I'll buy you
a better one.

This one
is good
enough.

touch

As long
as you

fill all this
loose space
with your
words...
